

XoXo by Cortni Lifestyle Photography will be onsite at the 2015 AAR & SBL Annual Meetings with a professional studio setup. Cortni will personally walk you through the portrait process to ensure you get the best headshot possible for yourself. Your session will be brief to allow for you to get back to the conference; but you won't feel rushed. You can use your new headshot for LinkedIn, social networking, email signature, business cards, and more.
