The Bible in Greek: Translation, Transmission, and Theology of the Sep- tuagint

Siegfried Kreuzer

Essential reading for scholars and students

This volume presents English and German papers that give an overview on important stages, developments, and problems of the Septuagint and the research related to it. Four sections deal with the cultural and theological background and beginnings of the Septuagint, the Old Greek and recensions of the text, the Septuagint and New Testament quotations, and a discussion of Papyrus 967 and Codex Vaticanus.

Features:

- A complete list of Kreuzer's publications on the text and textual history of the Hebrew Bible and the Septuagint
- Criteria for analysis of the Antiochene/Lucianic Text and the Kaige-Recension
- A close examination of the origins and development of the Septuagint in the context of Alexandrian and early Jewish culture and learning

Siegfried Kreuzer is Professor of Old Testament and Biblical Archaeology at Kirchliche Hochschule Wuppertal/Bethel. He is the co-editor of *Der Antiochenische Text der Septuaginta in seiner Bezeugung und seiner Bedeutung* (Vandenhoeck & Ruprecht) and *Die Septuaginta: Entstehung, Sprache, Geschichte* (Mohr Siebeck).
