

## **The Witchcraft Series Maqlû**

**Tzvi Abusch**

*A new reconstruction and translation of the Maqlû text*

The Akkadian series Maqlû, “Burning,” is one of the most significant and interesting magical texts from the Ancient Near East. The incantations and accompanying rituals are directed against witches and witchcraft and ctually represent a single complex ceremony. The ceremony was performed during a single night and into the following morning at the end of the month Abu (July/ August), a time when spirits were thought to move back and forth between the netherworld and the world of the living.
