Sargon II, King of Assyria

Josette Elayi

A critical resource that traces the reign of Sargon in conte

Josette Elayi's book is the only existing biography of Sargon II, the famous Assyrian king, who was a megalomaniac and a warlord. Elayi addresses such important questions, including what was his precise role in the disappearance of the kingdom of Israel; how did Sargon II succeed in enlarging the borders of the Assyrian Empire by several successful campaigns; how did he organize his empire (administration, trade, agriculture, libraries), and what was the so-called sin of Sargon?

Features:

- Interpretations of decisive events during the life and reign of the Assyrian king
- An evaluation of Sargon II's reign
- Maps and tables

Josette Elayi is honorary researcher at the French National Center for Scientific Research. She is the editor of *Transeuphratene*, author of more than thirty books, and editor or seventy books.
