The Galilean Economy in the Time of Jesus

Edited by David A. Fiensy and Ralph K. Hawkins

In order to provide an up-to-date report and analysis of the economic conditions of first-century C.E. Galilee, this collection surveys recent archaeological excavations (Sepphoris, Yodefat, Magdala, and Khirbet Qana) and reviews results from older excavations (Capernaum). It also offers both interpretation of the excavations for economic questions and lays out the parameters of the current debate on the standard of living of the ancient Galileans. The essays included, by archaeologists as well as biblical scholars, have been drawn from the perspective of archaeology or the social sciences. The volume thus represents a broad spectrum of views on this timely and often hotly debated issue. The contributors are Mordechai Aviam, David A. Fiensy, Ralph K. Hawkins, Sharon Lea Mattila, Tom McCollough, and Douglas Oakman.

David A. Fiensy is Professor of Biblical Studies at Kentucky Christian University and Associate Director of the Shikhin Excavation Project in (Galilee) Israel. He is the author of a number of books, including *Social History of Palestine in the Herodian Period* (Edwin Mellen Press), *Message and Ministry of Jesus* (University Press of America), and *Jesus the Galilean* (Gorgias).

Ralph K. Hawkins is Associate Professor of Religious Studies at Averett University. His books include *The Iron Age I Structure on Mt. Ebal: Excavation and Interpretation* (Eisenbrauns) and *How Israel became a People* (Abingdon).

August 2013, 208 pages
