

Global Perspectives on Biblical Scholarship

Volumes in SBL's Global Perspectives on Biblical Scholarship provide a forum for biblical scholars from around the world to share research and to explore emerging methods, tools, and approaches to biblical scholarship with colleagues in the global village. In some cases papers originally presented at SBL International Meetings are collected into a single volume for the benefit of those unable to participate in person.

To establish a standing order for this series at a 20 percent discount off list price, complete the information requested on the following page. If you establish a standing order for Global Perspectives on Biblical Scholarship, you may also order prior volumes in the series at a 20 percent discount by checking the titles below that you would like to order, then sending an original or photocopy of this order form to our customer-service department.
