

CALL FOR PAPERS
2011 SBL Mid-Atlantic Regional Meeting
Hyatt Regency New Brunswick
March 17-18, 2011

Proposal Due Date: December 6, 2010

Dear Colleagues,

The Executive Committee for the Mid-Atlantic Region of the Society of Biblical Literature (MAR-SBL) cordially invites you to submit proposals for the 2011 MAR-SBL Meeting. The meeting will be held jointly with the Mid-Atlantic and New England/Maritimes Regions of the American Academy of Religion (AAR) on March 17-18, 2011 at the Hyatt Regency Hotel in New Brunswick, New Jersey.

We are excited to announce that Dr. Lawrence H. Schiffman, Ethel and Irvin A. Edelman Professor of Hebrew and Judaic Studies and Chair of the Skirball Department of Hebrew and Judaic Studies at New York University, will serve as our plenary speaker and Dr. Maxine Grossman, Associate Professor of Religious Studies and Jewish Studies at the University of Maryland, will deliver our presidential address.

Please consider offering a paper proposal in any area of biblical studies. Any SBL member may submit a proposal regardless of his or her region. This year's MAR-AAR/SBL theme is "Religion and Embodiment" (defined broadly). Proposals related to this theme are encouraged but not required.

Proposal Guidelines and Submissions

The proposal should state the paper's topic and purpose and give some indication as to how the argument will proceed. Provide enough context to show that you are aware of the basic literature in the field and summarize the argument of your presentation. You may submit only one proposal for the MAR-SBL meeting.

To submit a proposal, find the section that you feel best fits your presentation. See the list at the end of this document. Then, email a 150-250 word proposal (250 words maximum) to the section head for the appropriate section. When sending your email, you **MUST** title the subject line of your email: "2011 MAR-SBL PAPER PROPOSAL" (use all capital letters). Proposals must include your full name, title, institution (or location), email address, and, as available, your phone number, mobile number, and mailing address. Also, it is very important that you indicate any date or time restrictions that you have when you send your proposal. While we try to accommodate all requests, we cannot guarantee that everyone will present during his or her preferred date/time slot. In general, we assume that those submitting proposals will keep March 17-18 open. Proposals are due on **MONDAY, DECEMBER 6, 2010**, but we encourage you to submit as soon as possible. Proposals that do not conform to these guidelines may be disregarded. **You should be notified by the section head regarding the status your proposal by mid-January 2011.**

Each section head will determine the time allotted for each paper presentation. Presentations will generally last **20-25 minutes**, although presenters are encouraged to set aside a few minutes of this time to allow for questions. Usually, your final paper to be presented should be about 10 double-spaced, single-sided pages. Please do not exceed your allotted time out of respect for your fellow presenters.

Also, we sincerely regret that we cannot supply any audio-visual equipment due to prohibitive rental costs. So please plan accordingly.

Important Pre-Registration Information

Online preregistration will be available in January through the AAR website (NOT THE SBL WEBSITE). If you are an SBL member, you may still register for the meeting through the AAR website even if you are not an AAR member. Simply check the SBL member box on the online pre-registration form. You will be notified by email when the online preregistration is live. Please utilize the AAR website for registration as it saves paper and helps the region advance the efforts of SBL to foster not only biblical scholarship but also environmental stewardship and fulfill the national AAR mandate to promote environmentally sustainable gatherings.

Presenters are REQUIRED to pre-register for the conference to appear in the program book.

SBL Conference Awards

MAR-SBL will confer the Howard Clark Kee Award of \$100 for the best student paper by an SBL student from the region. We will also participate in the SBL Regional Scholars Program, sponsored by the society-wide conference of Regional Coordinators. Our region's nominee for this honor will receive a \$100 prize upfront, in addition to whatever awards and recognition she or he may receive in the society-wide program. To qualify for the SBL Regional Scholars Program scholars should be at least ABD and no more than four years past the receipt of their Ph.D. Women and underrepresented minorities are encouraged to apply. Those interested in either of these prizes should copy their full paper to Jeremy Schipper (schipper@temple.edu) when submitting a proposal to the appropriate section head by December 6, 2010. Please clearly indicate: (1) for which prize or prizes you would like to be considered and (2) your exact student status (Kee Award) and/or your exact status between ABD and when you received your Ph.D. (Regional Scholars Program).
