

AAR-SBL
Rocky Mountains – Great Plains Region

***Virtual* Regional Meeting**
Saturday, March 20, 2020
University of Colorado Colorado Springs

University of Colorado
Colorado Springs

General Information

Welcome to the *virtual* 2021 Rocky Mountain–Great Plains regional meeting of the American Academy of Religion/Society of Biblical Literature. Just as the pandemic forced the cancellation of the 2020 conference, it is forcing a virtual conference in 2021. We are grateful that a conference is taking place in 2021. We sincerely hope to hold an in-person conference in 2022. Thank you for all of your accommodating and persistence.

You still must register for the conference, though **all fees are waived**.

Go to: <https://www.cvent.com/d/kjq0q3> to register for the conference.

On the day before the conference (March 19th, 2021), you will be emailed a link that will contain all of the sessions. A Zoom link will accompany each session, so be sure to have Zoom downloaded on your device.

These are challenging times to say the least. Thanks to all of you for sustaining our Rocky Mountain-Great Plains AAR-SBL region. We believe that you all have help us put together a great (though smaller) program.

Sincerely,

The Program Committee and Regional Officers:

Ronald Simkins (Creighton University), President

Jeffrey Scholes (University of Colorado, Colorado Springs), Vice President and Program Chair

Zachary Smith (Creighton University), AAR Coordinator

Thomas Wayment (Brigham Young University), SBL Coordinator

Michael Laminack (University of Denver – Iliff School of Theology), AAR Student Director

End of conference

Founded in 1965, the University of Colorado, Colorado Springs is home to more than 12,000 students, more than 800 experienced faculty members and more than 800 devoted staff members. On our awe-inspiring campus, we focus on providing an academically excellent environment at a value to students across the United States, and more than 80 nations. The experience our students gain at UCCS provides an incredible service to our community of Colorado Springs and the greater southern Colorado region as a whole, with UCCS contributing about \$600 million each year in economic impact in El Paso County alone. For more information about UCCS, see <https://www.uccs.edu/ir/data/quick-facts>.
