
Teaching Biblical Studies Online

Due to recent events, many of you will find yourselves teaching courses online for the first time. We would like to help. The Society of Biblical Literature hosts [Bible Odyssey](#), an open-access site that contains various resources created by SBL members for the general public. Take a look at the videos, articles, timelines, and more that we offer that can assist with your transition to online teaching. Beginning this week with videos, we will be sharing these tools and resources along with tips to make the most of the site.
