SUBMIT A PAPER

A paper of publishable quality, 25-35 pages, on any subject that advances some dimension of New Testament scholarship may be submitted or nominated. The paper that is awarded will be delivered and discussed at an SBL national or international meeting. A financial reward will accompany the award.

ELEGIBILITY and CRITERIA

The nominee/applicant must be an SBL member who has completed the doctorate and been in a teaching and/or research position for at least two years and normally no more than ten years. The paper may not have been accepted for publication prior to submission. Three evaluation categories:

1) persuasive thesis that engages the New Testament,
2) clarity of expression and thought,
3) originality and creativity.
