Johann Cook and Martin Rösel, editors

Innovative Septuagint research from an international group  
of scholars

*Toward a Theology of the Septuagint: Stellenbosch Congress on the Septuagint, 2018* focuses on the question of whether it is appropriate and possible to formulate a theology of the Septuagint. Nineteen English and German essays examine Old Testament, New Testament, and extrabiblical texts from a variety of methodological perspectives to demonstrate that such a theology is indeed necessary and possible.
