**Bonifatia Gesche, Christian Lustig, and Gabriel Rabo, editors**

**New research on Sirach for scholars and students**

The present volume of English and German essays includes the proceedings of an international conference held in Eichstaett, Germany, in 2017. Themes of creation, emotions, life, death, wisdom, knowledge, the individual and society, family, gender, mercy, justice, and freedom are but a few of the topics that contributors explore in this new collection. Essays explore the rich intertextual connections between Sirach and other biblical texts.
