

Sennacherib, King of Assyria

Josette Elayi

**A critical resource for students and scholars of the ancient
Near East and the Bible**

Josette Elayi's *Sennacherib, King of Assyria* is the only biography of Sargon II's famous son. Elayi traces the reign of Sennacherib in context in order to illuminate more fully the life and contributions of this warlord, builder, innovator, and social reformer—a unique figure among the Assyrian kings. Elayi offers both an evaluation of this royal figure and an assessment of the Assyrian Empire by interpreting the historical information surrounding the decisive events of his reign.
