

## **Exploring Philemon: Freedom, Brotherhood, and Partnership in the New Society**

**Roy R. Jeal**

*A new, sociorhetorical interpretation of the Letter to Philemon*

*Exploring Philemon* shows how this letter entered the world of the ancient Mediterranean and the early church with a dramatic and powerful rhetorical force by analyzing the range of textures interwoven with each other to produce a profound effect on an early Christian (Philemon) and on the church that met in his home. It demonstrates that many striking and subtle features work together to present a rhetorical argument that the new Christian society must be one of freedom, brotherhood, and partnership not just for the powerful, but for all.
