

My Nine Lives Sixty Years in Israeli and Biblical Archaeology

William G. Dever

Experience a lifetime of adventure

This autobiography of prominent American archaeologist William G. Dever is unabashedly his story, in which he offers candid, often brutally honest, reflections on his life and sixty-five-year career. Dever places himself in the midst of a remarkable generation of giants in archaeology in Israel during a period when the fields of biblical and Israeli archaeology were evolving. With technical expertise developed over a lifetime of working alongside four generations of Israeli and foreign excavators, he recalls their exploits and shares numerous personal stories that few others would know. His memoir concludes with a postscript on the likely future of biblical archaeology and an annotated bibliography for serious readers who wish to explore some of the scholarly literature to flesh out Dever's narrative.

William G. Dever is Distinguished Visiting Professor at Lycoming College in Williamsport, Pennsylvania, and Professor Emeritus at the Arizona Center for Judaic Studies at the University of Arizona. Dever is the author of more than four hundred publications, including *What Did the Biblical Writers Know and When Did They Know It? What Archeology Can Tell Us about the Reality of Ancient Israel* (2001), *Who Were the Early Israelites and Where Did They Come From?* (2003), *The Lives of Ordinary People in Ancient Israel: Where Archaeology and the Bible Intersect* (2012), and *Beyond the Texts: An Archaeological Portrait of Ancient Israel and Judah* (2017).
