

## Archaeology and Biblical Studies

### Sennacherib, King of Assyria

Josette Elayi

This series illuminates the Bible and the history and cultures of the ancient Near Eastern and Greco-Roman worlds through archaeological, sociological, and historical studies. Works in the series include studies relating to the biblical text, as well as works exploring the religions and cultures of biblical peoples.

To establish a standing order for this series at a discount (**20% off paperback and 25% off hardcover**), complete the information requested on the last page. If you establish a standing order, you may also order prior volumes in the series at the same discount rates by checking the titles below that you would like to order, then sending an original or photocopy of this order form to our customer service department.
