

Ancient Israel and Its Literature

This series examines the history, culture, and literature of ancient Israel and Judah, with attention to their influence on readings of the Hebrew Bible/Old Testament. Works in the series address the social world of the biblical writings, the ancient Near Eastern context of Israel and Judah, biblical and theological themes, and comparable areas of scholarship.

To establish a standing order for this series at a discount (**20% off paperback and 25% off hardcover**), complete the information requested on the last page. If you establish a standing order, you may also order prior volumes in the series at the same discount rates by checking the titles below that you would like to order, then sending an original or photocopy of this order form to our customer service department.
