

Early Christianity and Its Literature

This series addresses the history, culture, and literature of early Christianity, with attention to their influence on readings of the New Testament. The series includes works on the social world of the biblical writings, the Greco-Roman context of Christianity, biblical and theological themes, and other comparable areas of study.

To establish a standing order for this series at a discount (**20% off paperback and 25% off hardcover**), complete the information requested on the last page. If you establish a standing order, you may also order prior volumes in the series at the same discount rates by checking the titles below that you would like to order, then sending an original or photocopy of this order form to our customer service department.
